I then covered them with a full size fitted sheet to keep them in place. Then we should still be able to dismantle half and put the back seats up in case we give friends a ride. Do you think it will?

So I definitely need to build something like this to allow me to have room for my RV. Your RV will provide you with the comforts of home while your physical house is being repaired or built. Coleman also sells a Power Saver PS version of this unit for those willing to use less power but retain most of the power. Reply carol March 25, at 9:

Here you will find an active space where people ask questions and make interesting. We thoroughly enjoyed our time. This rental comes with all the space of a 9 x 7-foot tent plus a pillow and a blanket.
