Pretty sure the first time I read through his induction it knocked me out for 10 hours. The human brain does not register the word NO.

What a transcereally is. Dec 21, Jeff Pietrzyk rated it did not like it. Having read other hypnosis books I can say that the writer has very nicely summarized the material of much denser books with some very useful parts highlighted to ensure the reader knows where to focus their energies on in order to master basic hypnosis. Short, interesting read that's mostly a how to book.

How to really get genuine rapport so people trust you. Amazon Advertising Firm summary this book is worth 5 stars since it is very readable and very nicely summarizes the material on hypnosis without losing too much. Your hypnosis confidence is just a click away!
