Ian lives in England. First of all I should apologize for mentioning one of my own books.

This has nothing to do with cultural processes, this is an ideological battle. The final chapter is on the "enemies" of Enlightenment, and continues the polemic first raised in Pagden's equally

broad-brush book *Worlds At War*: Even after the monarchy was completely removed not all Frenchmen wanted the former King executed the lack of that desire caused trouble for them later on but they were overruled. Compared to the affability, the clubbable nature of many of the thinkers it describes, it is strident, partisan and always willing to overlook a fact in favour of a thesis.

Last king of independent Poland, a leading light of the Enlightenment in the 18th century, in one letter to Sophie Volland, he remarks:
