The local economy is in the dumpster and efforts to revive the town as a tourist destination have fallen woefully short. They deserve a break after all they've been. This third novel from award winning author Bryan Gruley throws shock after shock at the reader all the way to the end.

However they changed the venue to a church in a different state. A corporate executive. This is a well written, smoothly plotted mystery novel with good characterization and an interesting plot. While the investigation begins to find a murderer, the prime suspects come from a religious group that has set up camp in town, but there is so much more that will come from this investigation than what the town plans. Gus's mother, Bea, was in the house at the time of the killing, but she is suffering from advancing dementia and doesn't remember much about what happened that night.

Starvation Lake is a small community in upper Michigan. Mar 20, Tyler rated it liked it.
