A plane crashes on an island with young boys as the only survivors. I would teach Project Gutenberg 0 editions. I give this book two stars. Lord of the Flies is a novel about a group of boys stranded on an island, where they must decide how they will go about surviving.

Refresh and try. I think that the book could have used a little bit more action. Notes 10 books. Since the publication of his first book in Bloom has written more than 20 books of literary criticism, several books discussing religion, and one novel.
