I'm not sure I entirely believe in Sylvia Browne's experiences, but for some reason I'm hooked to her books. I'm not going to go into any analysis of any of the paranormal topics in the book. If you are a seller for this product, would you like to suggest updates through seller support? But I do want to say this: Especially appealing is the description of her long-time friendship with TV talk-show host Montel Williams. It was very easy to follow and like I said, the writing style makes me feel very pleased during and after reading.

It was a fun read, but I would have liked a little more personal sharing and less course, many people can blab on and on about "My ex did this to me, my friend did that to me" -- just look at a random blog -- but make it interesting, poignant, funny, and educational?
