Create a reading list or add to an existing list. The text is long—pages—but seldom tedious, thanks to its subdivision into brief, well-focused chapters, each with comprehensive but not excessively detailed notes. About what happened to Captain Alonso de Alvarado in his conquest of the Chachapoyas. Available for the first time in English, this history of Peru is based largely on primary sources. Sign-in or register now to continue. View additional images and download publicity materials. The discovery and conquest of Peru:

About how the captains and the Spaniard embarked and sailed to Atacames land how Piarro and Almagro journeyed as far as the San Juan River where it was agreed that the pilot Bartolome Rui would explore along the west
