It can only take so many hits before it just gives up. Exclusive Music Track for Murder Falcon 3!!! I was absolutely captivated by her and her story within the first few pages. Disease is not that precise. Customers who bought this item also bought. See, with dystopian fiction, you can't just insert random catastrophic, shock value events for people to live around without having a thorough understanding of how our society works today and how this current society would potentially break down under such apocalyptic situations. They would be underwater! I won't even attempt to narrow it down to a single genre though the reader is given reason to believe this isn't true,

I don't understand how anyone in DeStefano's world would buy into .
