Unless he can put his own dark past aside and risk everything  
for a chance at love. He comes from an ancient world, from a  
different time, when angels walked among men.

There is a big, epic moment at the end of Saving Gracethat had  
me squeeing out loud when I read that book, and I got to  
experience that all over. One of his groupies licks his ear or  
kisses him without asking for his permission or jumps into his  
lap without asking for his permission or says something very  
slutty to him very loud while he is not interesting in it and  
Grace is accidently .
