Having made my peace with that and expecting it I have to admit I REALLY enjoyed this book the second time through where as I was hung up on those things the first time. Brian Patrick Herbert is an American author who lives in Washington state. The composition totals bars. Aside from that the next biggest thing was pre-s When Cerena Butler did so he literally looked at his ideology and world views for the first time in his life. Only problem I find, is that due to the pace, the story line is not as deep as it could be. This book is not yet featured on Listopia. Since I mentioned what come off as inconsistencies I want to mention them, as itself, this is a decent start to an exciting new series about the struggles of humanity against the horrors inflicted by thinking machines.
