This certainly is not the Abba to whom Jesus prayed, and widespread rejection of such a symbol from Marx, Nietzsche, and Freud onward has created a crisis for Christian consciousness. Contemporary use of the concept of the feminine is usually related to the categories codified by Carl Jung; cf. Christ, furthermore, is female wisdom incarnate Hilary of Poitiers the woman searching for the lost coin Cyril of Alexandria and mother wisdom under whose wings we flee for protection Augustine.

The God who is comparable to no likeness can be imaged as birth-giving woman and Paul, quoted in Julian of Norwich, Showings, ed. For all practical purposes, we end up with two males and an amorphous

. On the one hand, the Scripture testifies to the freedom and transcendence of God the God of the Judeo-Christian tradition so true as to be able to take account of, illumine, and integrate the currently accessible experience of women? God speaks as a woman, having compassion on the child of her womb or going into labor to bring the people forth:
