Find the hottest teen books, connect with your favorite YA authors and meet new friends who share your reading interests! And you'd only be half-right. A Discovery of Witches. Toward the later parts of the book it descended too much into "being a real man" and other such things that I know are comedy but are too jocked out in a way that I just don't find entertaining. However, this book can help you figure out how it'll go down, how to survive when it goes down, and how to rise above the ashes after it goes. The UFC is kind of dickish, and they are corporate assholes who won't allow their shit to be shown on places like youtube.

I did like the tip on how to milk a giraffe from a motorcycle, though: So that is quote is in the back cover of the book.
