Review: Blood Red Horse by KM Grant | Books | The Guardian

You need three things to become a brave and noble knight: A warhorse. A fair maiden. A just cause. Will has a horse—a small chestnut stallion with a white blaze .

Blood Red Horse (The de Granville Trilogy, #1) by K.M. Grant

Blood Red Horse is a young adult historical novel by author K M Grant. The book was published in by Puffin Books and in the US in by Walker.

It's also the story of a Blood Red Horse red horse named Hosanna, who becomes William's battle horse when he is knighted and sent off on Crusade to Jerusalem. I thought the language was way too rich and thick for this type of book. It's fine to have the nearby monks be literate, but the Granvilles also have a servant named "Old Nurse" who tries to teach the boys to read and write.

There were fleeting moments when I thought they might be interesting, but there's nothing there. Anyway, I never suspected I would like a book about the crusades, Blood Red Horse I definitely never thought I would take interest in a book where a horse played such a central role, but I really got sucked in. Tween, as well as almost anyone, can relate to being underestimated and then proving people wrong when they come through with flying colors. But he was swept off his journey by a Blood Red Horse. While I am really invested in how Will and Gavin's relationship evolves over time Jul 21, Jared rated it it was ok.
