One day a doctor tells you that the MRI shows a cancerous growth the size of a grapefruit, and if untreated, you will die. You see, this is not about the NFL, this is about our nation, and how we deal with the epidemic – physical and sexual abuse. My mental illness was the same and went undetected until the doctors told me in that I was bipolar, and if untreated, I would lose my mind.

Her hair had darkened to a reddish-brown with an occasional streak of gray, her five-foot ten-inch stature made you take a second look, and her eyes, the purest blue you can imagine, mirrored sadness. I believe that she showed me an image of her inner self on that tragic day. Through my years as a member of the Board of Directors, I have witnessed the work that goes on at ground zero. Thevoiceshaveno.Living in the lowest part of her brain and hidden by darkness, this creature, the one I imagined, reached outward with it eight tentacles, each lined with two rows of suction cups, and latched onto her mind.
