My doctor first told me about this diet in April when I was having a really bad stress IBS flair up during my college final exam week. Vegetables are added after 5 days.

Perhaps while Genai is over here she can take some time to clear up this confusion.

This is very important to me as I cannot seem to correct.

Enter your details to calculate your ideal weight range, and discover how soon you could reach it! If you have IBS, this diet is probably for you.

It is not like other diets that typically remove whole food groups like sugar and fat. That most of the text didn't seem to be critical.
