Stanford University Press; The reason given by Eguiara again hinged on urban geography. There are perhaps more examples for the South American case:

You may send this item to up to five recipients. This contrasts the view of Brac  
Citations are based on reference standards. Like Cicero, Eguiara was an orator, who delivered numerous sermons and orations in Latin and the vernacular on important occasions in their New World metropolis, which allowed him to climb the greasy pole of the ecclesiastical hierarchy, culminating in a bishop's miter, a dignity equal of any consulship. Students

and masters entered from the north side through two vast wooden doors into a hall that was 60 feet long by 33 feet wide and 42 feet high, decorated with arches and Doric columns and lit from the south side by four windows.

AmazonGlobalShipOrdersInternationally. These accusations cut so deep, not only was Eguiara's house part of the larger bibliographic landscape of the city, but it also soon became part of a network of print shops that invigorated Mexico City's self-reproducing learned culture.
