Yes, they are actually claiming that this document, which has nothing even remotely do to with anything that could conceivably, in Dick Cheney's wildest imagination, have anything to do with national security, has been properly classified. Upon closer inspection, though, this tradeoff between consumer protection and global trade appears to be illusory. Posted by Simon Lester on April 10, at To this purpose, this work has been constructed in an Introduction and two main parts. The First Part Global Trade in Gambling Services is dedicated to international instruments regulating trade in services with a global reach. The First Part Global Trade in Gambling Services is dedicated to international instruments regulating trade in services with a global reach. And in news related to the EU-U. International trade of such services implies United States agreed on Monday to widen access to some of its services in compensation to the European Union for preventing betting businesses from offering on-line gambling in the US, the EU said .
