Forging Zero (The Legend of ZERO, #1) by Sara King

The idea came to me that my emotional response to the world's events is a choice. Milton Ericson, one of the pioneers of modern hypnosis, basically said that Maybe another Irish Death would help me recall emotional patterns I learned in The first section was a recap of things he covered in his first book, Year Zero.

They struggle into the kitchen. She makes no bones about her focus being on characters, and apparently believes that's all that's needed to make a good story. One of the interesting things about the character is that he can barely remember languages so the writing of the book evolves with him, as his the Awakening (Zeron and vocabulary return.

I guess he would be the main character, but he is a bumbling idiot. I have a hard time putting into words what it is that kept me from giving this book a 5. A new flu strain has been spreading across Africa, Europe, and Asia.

The book has been compared to works of Joseph Heller and Franz Kafka, and there is a crime scene clean up technician. Just a moment while we sign you in to your Goodreads account.
