### **How to get lots of stone :: Raft General Discussions**

The Stone Raft is a novel by Portuguese writer José Saramago. It was written in , and was translated into English by Giovanni Pontiero in

In "A Jangada de Pedra" (The Stone Raft) the Portuguese writer José Saramago imagines Iberia literally breaking off from the rest of Europe.

In George Sluizer's new film "The Stone Raft," a dog trots doggily through a country field, and then for no reason leaps across a patch of ground.

Therefore I will avoid commenting upon this angle of Stone Raft story. There are obvious historical and political allegories and meanings connected with the movement of the peninsula. I loved the first 20 pages, and then, POOF, it was gone. It's a brilliant piece of speculative fiction, humorous and brilliantly weird at times. If you just graze over the prose, you'll Stone Raft likely miss many of the bits of wisdom he plants here and .

As Stone Raft says in the business, it's a real page-turner. Amazon Giveaway are the ways that polite authors make it easy for their readers to understand their work, and I suppose that means that Saramago is Stone Raft as polite as many writers. Or once it seems the stone raft is heading South, the concern of the US President with their missiles grounded in Iberia and whether they will have to deploy them against the penguins
