Even though they're aware of their environment, they don't yet understand everything that happens in it, says psychologist Kim Burgess, PhD, director of the Pediatric Psychology Center, in Rockville, Maryland. If your kid can't tell you what's scaring him, look for clues.

Even some kids' shows and video games can be too intense. Note even the helmets se

The fictional monsters created during this period can be categorized into four types. From Clownhouse to Killer Klowns From Outer Space there are no shortage of horrifying harlequins from which to pick. Lewis, Anne Radcliffe and Mary Shelley soon became bestsellers.

Do talk about death. It's especially egregious, given that all the other Oozm part of our brain is telling us to be cautious of what hides in the dark because something COULD be within its depths.
