Wikiquote has quotations related to: Fascism, political ideology and mass movement that dominated many parts of central, southern, and eastern...

The virtues of professionalization are clear; without a professional corps. When, however, the service in question can not be subjected to economic calculation, bureaucratic management is necessary.

The s brought a backlash against perceptions of "big government" and the associated bureaucracy. But it is, at the same time, raised very far above the dull level of mere technical detail by the fact that through its greater principles it is directly connected with the lasting maxims of political wisdom, the permanent truths of political progress. During the reign of Louis XIV—France established a strong professional corps
