He exposes corruption in government and fears we are "creeping toward an oligarchic society where a relative handful of the rich and privileged decide, with their money, who will run, who will win, and how they will govern". Jul 16, Joshua rated it really liked it.

Hertalewasveryinterestingtome.Contributorspaid1milliondollarstobeHis instinct for enlisting stories to get his message across appears throughout this collection, including tales from the years he worked for Lyndon Johnson before and after Johnson became President. The income gap continues to increase to this day.

Jul31,Caitlynrateditreallylikedit.Hertalewasveryinterestingtome.M writes about growing inequality, the forced descent to the Gilded Age era of national rape by the wealthy of the natural resources and working classes of the country. Bill Moyers knows how to tell a story, and his are all true.
