Maybe I am biased because like the author, I am also an attorney, but I loved reading this book with my 8-year old son. Him and his friends like to trade football cards, and when his mom finishes school and gets a job working for the Atlanta Falcons he is a all out fan, with all of his cards being Atlanta Falcons.

When and where were you born? Did i like the book? One of the strengths is I really like how it talks and relates to real people such as Terrell Owens and Michael Vick.
